JUNE 2010

WINEMAKER NOTES

2006 CABERNET SAUVIGNON

NAPA VALLEY

The 2006 Estate Cabernet Sauvignon shows all of the characteristics of a fine Rutherford Grown Cabernet Sauvignon. The complex nose is filled with dark chocolate and hints of berry. On the palate, this wine has delightful berry characteristics layered with dusty overtones. The finish is full and lingering in your mouth with balanced acid and tannins. This elegant Cabernet Sauvignon is enjoyable now and will continue to develop complexity as it ages for the next ten to twelve years.

8350 St. Helena Highway, Rutherford, CA 94573
